| <p>1. Big Opportunity: What is the change that you are passionate about, and want to make happen? Why is it urgent?</p> | |
| <p>2. Gather a team: Who needs to get involved in this project? Who are you responsible to?</p> | |
| <p>3. Make your vision reality: What are the practical next steps needed?</p> | |
| <p>4. Enlist a multitude of volunteers: Who else would be interested in this project? Who else has the skills needed to make it happen? How do you encourage and welcome new people?</p> | |
| <p>5. Remove barriers: What might prevent this project from succeeding?</p> | |
| <p>6. Celebrate progress: What are the short-term signs that your project is progressing? How can you celebrate them and get the word out?</p> | |
| <p>7. Keep your vision alive: How can you build on the current success? What do you want to do next?</p> | |
| <p>8. Make the vision last: What long term changes do you need to make to ensure that your project will carry on?</p> | |
